

Greetings volunteers and parents.

We are excited to be hosting the Annual YVC Youth Summit this year in Tulsa, OK as we celebrate our 30th year as an affiliate. This will be a great experience for all that are able to attend as there will be some outstanding sessions, projects, and a great tour of one of Tulsa's historical areas. The dates are Friday October 13th and Saturday October 14th. This year to qualify for an invitation to go, volunteers will need to meet one or more of the following parameters during this program year:

- Legacy Award Recipient
- World Changer Award Recipient
- Ethic of Service Award Recipient
- 100-in-1 Award Recipient
- International Youth Advisory Board Member
- Muskogee Youth Advisory Board Member

Attendance this year will be just a little different as it is close enough for us to transport volunteers on the morning of the first day of the summit which will only require us to stay night at the hotel. There is also an opportunity for parents to attend the awards banquet on Saturday evening of the 14th for a \$50 fee if they would like to with their volunteer.

Another change is that if a volunteer that has not met any of the above stated parameters but would like to attend, there will be an opportunity to do so.

Active members of the Muskogee Youth Advisory Board and the International Youth Advisory Board will be going to the summit on Thursday October 12th to assist with set up, registration, etc. Thursday night and Friday morning. Below will be marked if you have received any awards to date and the hours you currently have toward awards.

If you have any questions, etc. please contact Leslie or Kayla. We look forward to see you all there.

More information will be coming August 15th so keep your eyes out for it.
